

Greater New York Dental Meeting & Fundamentals of Esthetic Implant Dentistry Courses

25-30 November 2022

Jacob K. Javits Convention Center, 429 11th Avenue, New York, NY 10001

The 98th Largest Dental Meeting in the United States! Over 300 Educational Programs & Over 700 Exhibiting Companies.

A greatly expanded World Implant Expo, Annual Global Orthodontic Conference, 3D Printing Conference, Oral Health Symposium, Pediatric Summit, Women's Program, Public Health Program, Special Needs Courses, and again Dental Laboratory Education.

As a visitor you can partake in many educational programs, also visit the Exhibitors on the expansive exhibit floor. It is an integral part of the Dental Meeting experience for attendees to interact with the over 600 Exhibitors who enhance the Meeting in countless ways. They are there to demonstrate and teach you about new products and technology from around the world. You can touch, use and compare the newest materials and technology in Dentistry today.

Taking advantage of the educational opportunities available is important, so don't miss out. This will enable your dental team to excel in delivering the finest dental care in the world. Invite your staff to participate – you will reap the rewards immediately. Get your U.S Visa applications processed easily with **DMi**. Our partners receive full assistance with the application process.

Benefit from **DMi** discounts – enjoy unique prices on all **DMi** products! **DMiTech MFR LLC** provides premium quality dental implants, abutments, and surgical instruments with the most comprehensive range on the market, from unique short implants to fast healing materials and methods.

With its scientific support and years of experience, DMi is the only global brand that competes with the largest implant dealers. Furthermore, a large number of dealerships are located in Europe, while production is based in the United States.

The DMi implants are based on standard systems, patented technology and exclusive calculations for individual structure. At DMi, you will find confidence, precision, and innovations. An easy-to-use technology, simple operation, and a happy patient as a result of rapid healing. In addition to educational materials, we provide scientific research, new technologies, and rapid (one-step) treatment protocols.

We look forward to reconnecting with you as part of the 2022 Greater New York Dental Meeting!
